In Memory of Mrs. Jane Knebel

So, where do we start? Mrs.Knebel was a caring, respectful, understanding, cool, wonderful, awesome, strong, and loving woman. The memories we have of her are nothing but great. She was the teacher students went to for advice or help. When we were down, she gave us candy. Shh, I mean "pencils"! One of her favorite words was "girlfriend".

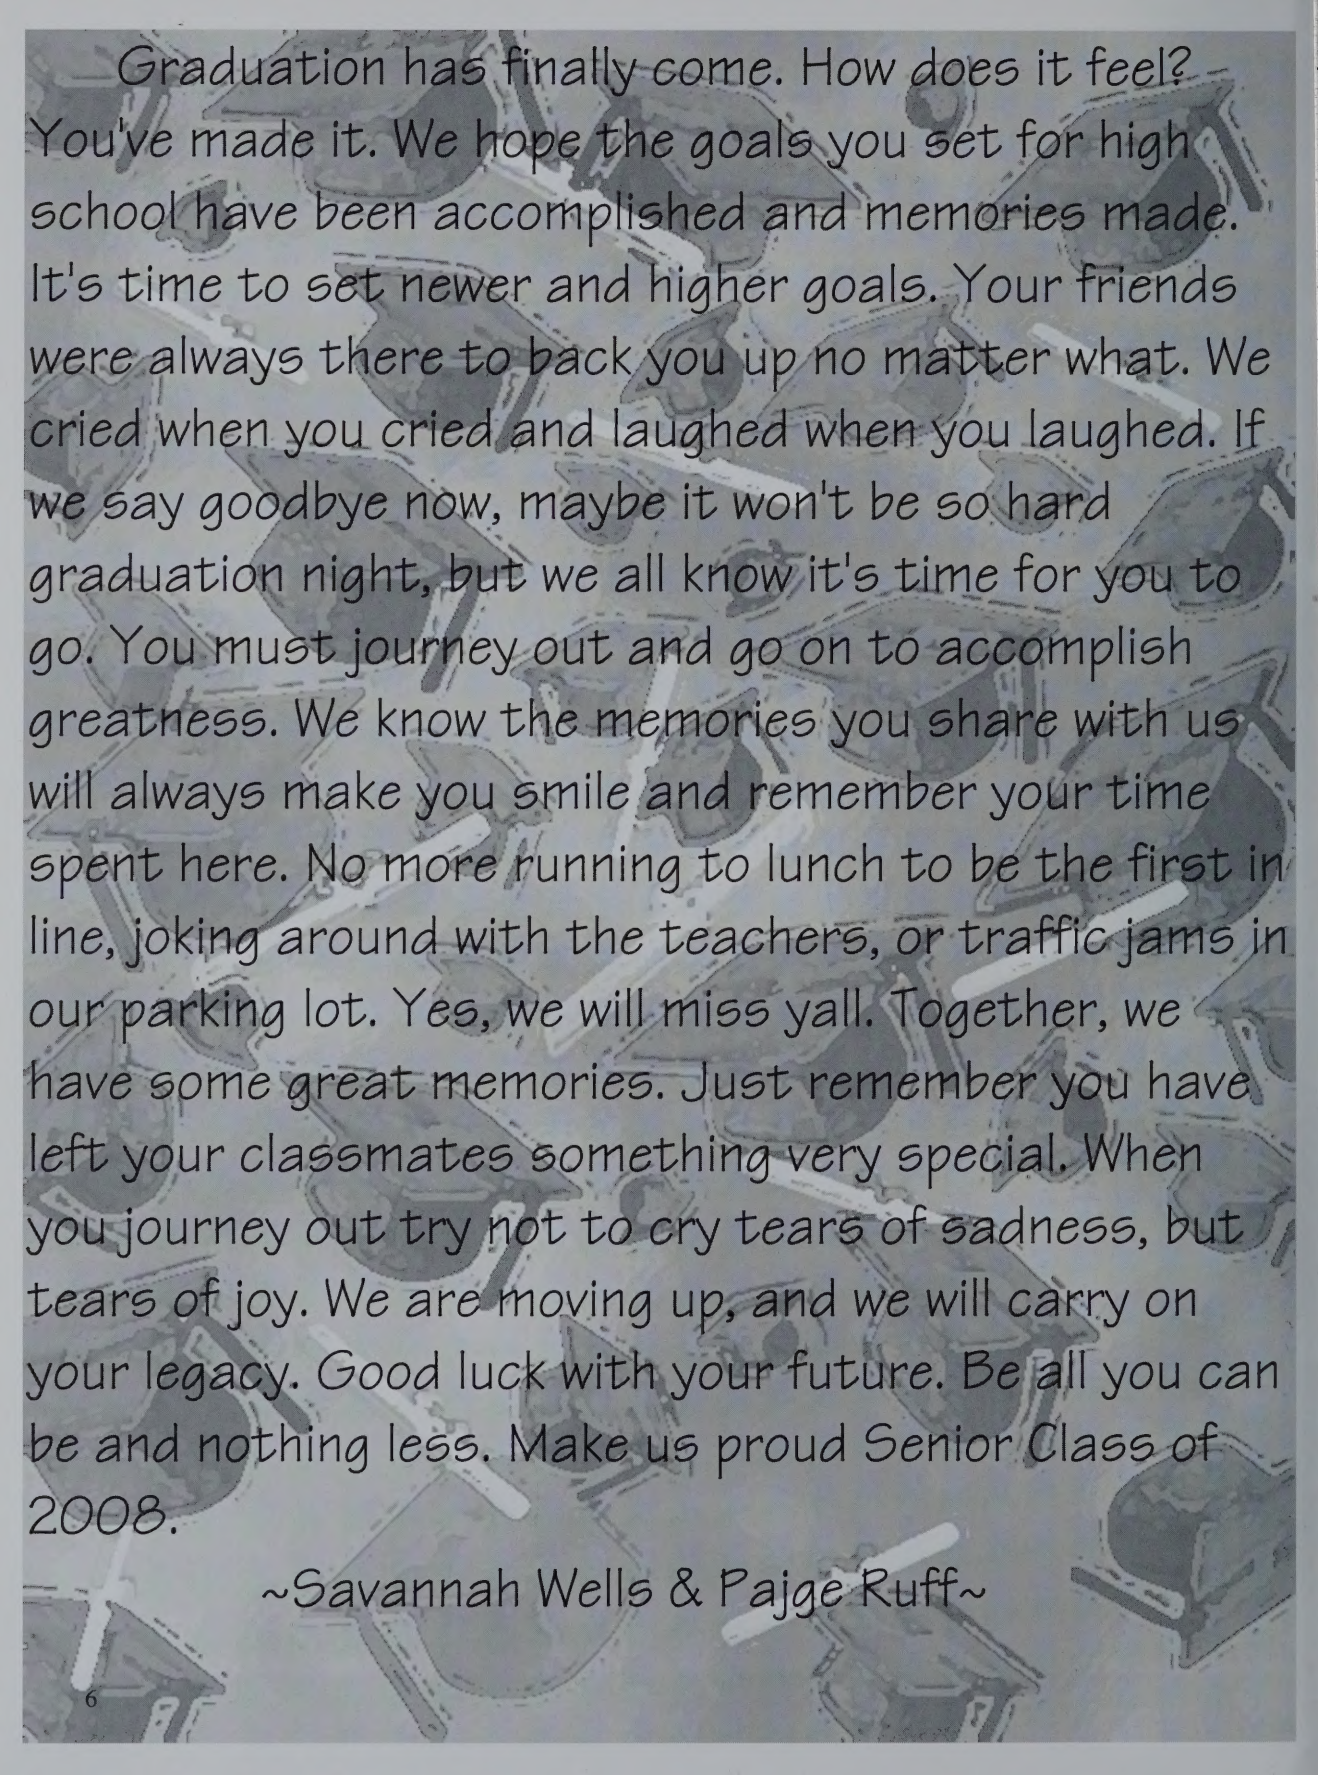

Words are not enough to explain her. She cared about each individual. She may not have known you, but she took the time to get to know you. She had funny stories to tell and funny faces to make.

We love, and miss you Mrs.Knebel. You will always be safe in our hearts.

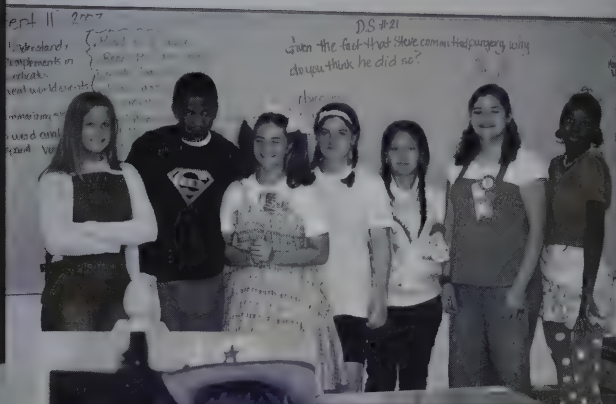

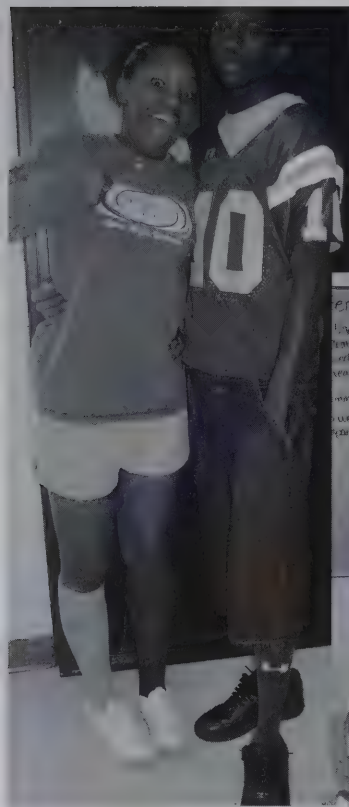

She was special to every single one of us. To the freshmen that did not know her, we wish you had. She was one of the best teachers here at Bay High. We wish that everyone could have met Mrs.Knebel.

A faded, artistic background image showing a group of people in graduation gowns and caps, likely at a ceremony. The image is semi-transparent, allowing the text to be the primary focus.

Graduation has finally come. How does it feel? You've made it. We hope the goals you set for high school have been accomplished and memories made. It's time to set newer and higher goals. Your friends were always there to back you up no matter what. We cried when you cried and laughed when you laughed. If we say goodbye now, maybe it won't be so hard graduation night, but we all know it's time for you to go. You must journey out and go on to accomplish greatness. We know the memories you share with us will always make you smile and remember your time spent here. No more running to lunch to be the first in line, joking around with the teachers, or traffic jams in our parking lot. Yes, we will miss yall. Together, we have some great memories. Just remember you have left your classmates something very special. When you journey out try not to cry tears of sadness, but tears of joy. We are moving up, and we will carry on your legacy. Good luck with your future. Be all you can be and nothing less. Make us proud Senior Class of 2008.

Teacher of the Year

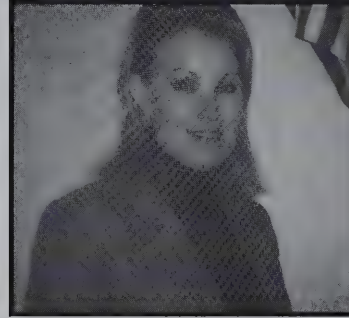

Major Ed Butler

Major Ed Butler has been at Bay High School since July 2005. He and Senior Master Sergeant Paul Snemyr are responsible for Bay High's Air Force Junior Reserve Officer Training Corps program. From day one, AFJROTC cadets learn and practice the U.S. Air Force core values of integrity first, service before self, and excellence in all we do. They also learn the AFJROTC mission to "Develop citizens of character dedicated to serving their nation and community." "Maj" and "Sarge" work tirelessly to educate and train their AFJROTC cadets in citizenship, community service, personal responsibility, character, and self-discipline, and provide instruction in air and space fundamentals.

A little appreciation to all Athletes

Great job to all athletes on a great season. All of you played your hearts out every second of every game and did a job well done. Whether ya'll came out with a victory or not, everyone kept your heads up! This year has been very eventful and exciting and we are glad that yall have done your best this year to have stuck it out through the seasons! Everyone is so proud. The mighty Tigers of Bay High have carried this school a long way and have never let the fans and supporters down. Congratulations to all members of the Tiger Pride Band on a great performance this year and receiving all superior. Steppers, ya'll have worked so hard to get where ya'll are. It takes a lot of dedication, spirit, and determination from every single person on the team to be as great as all Bay High Tigers. To the Seniors, we hope this year was great, and hope ya'll will remember being a Tiger today, a Tiger tomorrow, and a Tiger forever.

Words of Gratitude for our Clubs

You come across some hard decisions as a club. Decisions can cause some people to want to leave or even vote people out, but in the end you all stayed and found some way to make the best choice for the school. When people mention their clubs at their schools, they constantly say, "We're just an organization that makes decisions." At Bay High School, our clubs are more than an organization, they are a family or a unit. We disagree about several things, but we come together in the end, that's what makes our leadership strong and noticeable. We are known for our positive outlooks and excellent solutions. Great job! To the future clubs, keep raising to the standards and achieving every goal necessary.

Good Luck Bay High Clubs!!

*Kayleigh Alyse Davis, our first miracle - - We Love You Very Much and are Very, Very Proud of YOU!!!
Hold you head high and be proud of the decisions you have made this far! Love ya much, Mom and Dad*

I hope the days come easy and the moments pass slow; And each road leads you where you want to go; And if you're faced with a choice, and you have to choose
I hope you choose the one that means the most to you; And if one door opens to another door closed; I hope you keep on walkin' 'til you find the window
If it's cold outside - Show the world the warmth of your smile; But more than anything, more than anything
My wish, for you, is that this life becomes all that you want it to; Your dreams stay big, your worries stay small; You never need to carry more than you can hold
And while you're out there getting where you're getting to - - I hope you know somebody loves you, and wants the same things too

I hope you never look back, but ya never forget - All the ones who love you, in the place you left
I hope you always forgive, and you never regret; And you help somebody every chance you get; Oh, you find God's grace, in every mistake
And you always give more than you take

But more than anything, yeah, and more than anything - - My wish, for you, is that this life becomes all that you want it to
Your dreams stay big, and your worries stay small - You never need to carry more than you can hold
And while you're out there getting where you're getting to - - I hope you know somebody loves you, and wants the same things too
Yeah, this, is my wish - - I hope you know somebody loves you

#5

May all your dreams stay big

Lauren, From the day
you were born you have made
me proud. And after 18 years
I have come to find that I am
a little more proud of you today,
but not as proud of you as I will
be tomorrow. Thank you for
making my life such a joy.
I love you and know
you have a wonderful life ahead
of you. I will be there as I always
have.

Love, Daddy

Lauren, I am so very proud of you.

Ever since the day you said
"sauce Meme!" I knew you were
going to be the brightest star of
all. I love you very much.

Love, Meme

Courtney,

We are so proud of the beautiful young lady you have become and the accomplishments you have achieved. As your journey through life begins my wish for you is to be the best you can be, achieve all you can achieve, and may God continue to guide you with his wisdom throughout your life.

Congratulations!

We love you very much,
Mom, Dad, Deidra, & Dawson

Congratulations my beautiful princess!!!!
You are a very important part of my life and
I love you with all my heart. I hope you
always reach for the stars and I want you to
know that I will help you to achieve
anything you wish for. I am so very proud of
you, you deserve only the best in life. I love
you so much, Nick

To my Dearest Granddaughter, it seems like yesterday, when I went with you on your first day of school, watch you go safely inside Gulfview Elementary, and then watch the clock and when the time was right, I would go and wait for the school bus to leave and follow the bus to make sure you made it home safely. The days spent waiting at the bus stop are long gone. But the memories will be in my heart forever! No more asking: Do you have any homework or tests to study for, no more chaperoning on field trips, no more football games to watch you cheer, and shout Go Bulldogs, Go Hawks, or Go Tigers. Those days will be cherished forever. The time has come to close these chapters one by one. You will be beginning a new journey full of hopes and dreams. Reach for the stars and then some! Have faith in yourself and keep God and your family in everything you do, there will be nothing to stop you from accomplishing each and every goal along the way.

May God Bless You Always!

Congratulations

CONGRATULATIONS DUSTIN M. SLADE

It's hard to believe that you are about to close the first chapter of your life (High school) & start the next (college). It seems like only yesterday you were Our Little Bundle of Joy, Our Blessing from Above, Our "BABY BOY". Then day by day time stole you away right in front of our eyes, you became Our "LIL DUDE" also known to your friends as "STANK"! Into the very fine young man you are today.

You have always been headstrong, independent & maybe even a little stubborn at times (Ha, Ha), But you have always had the confidence and courage to be yourself, no matter what anyone else may have thought or said about you.

Son, words can never express how very proud we are of you, and how proud we are to be blessed to have you as "OUR SON" and to be a part of your life every step of the way.

As you continue on life's journey always be yourself, never let anyone or anything change who you are and what you believe in. Try and make the right decisions, but remember no one is perfect we all make mistakes. It's what you learn from those mistakes that count.

Remember never to loose Faith and look to God for guidance & the answers, to help you make the right choices. And when all else fails look over your shoulder and you will find us there with open arms.

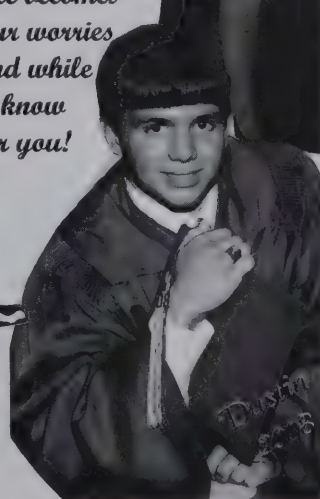

In the words of Rascal Flatts; "My Wish" for you is that life becomes all that you want (and more), your dreams stay BIG & your worries small & you never need to carry more then you can hold. And while you're getting where you're getting to, I hope you always know somebody loves you (We Do) & wants the same things for you!

This is our wish for you & so much more!

Good Luck & Best Wishes

With All Our Love,

Mama, Daddy & Brother

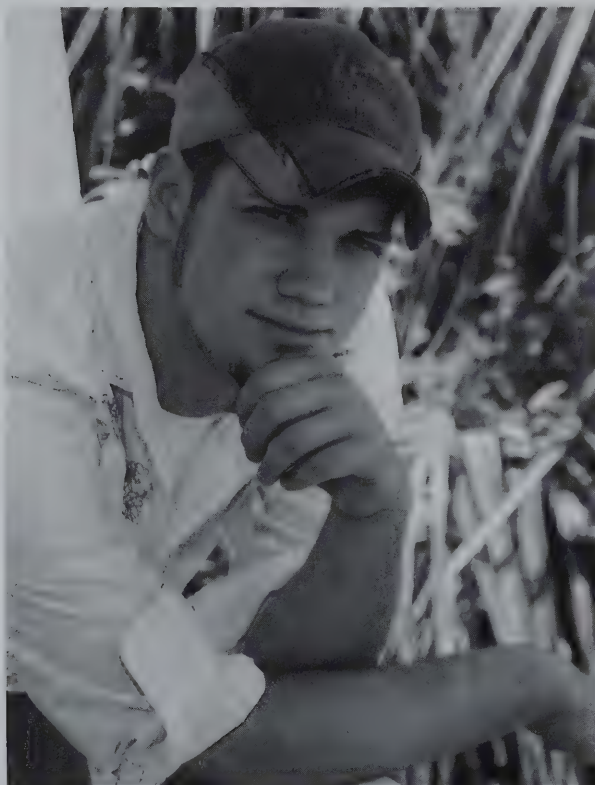

Cooter J,

We have watched you grow into a young man. Congratulations, we are very proud of you Josh. Good luck with what the future holds for you. We know you will do great in achieving your goals. Be all you can be and more. Never let anything in your way. We love you.

Love,

Dad and Jake

Tommy Duvielh

Congratulations on your High School Graduation!
It seems like yesterday you were just a toddler running under our feet.
Now you are a very strong and handsome young man.
We have given to you a good foundation to build on for the rest of your life.
We hope and pray you choose what makes you happy.

We love you!
Mom, Dad, and Nicky

Thanking the Lord for you,
and praying that your future will be blessed in every way.

When you wonder what is coming, tell
yourself the best is coming, the very best life
and love have to offer, the best God and His
Universe have to send. Then open your
hands to receive it. Claim it and it is yours.

All my love and best wishes, Mom

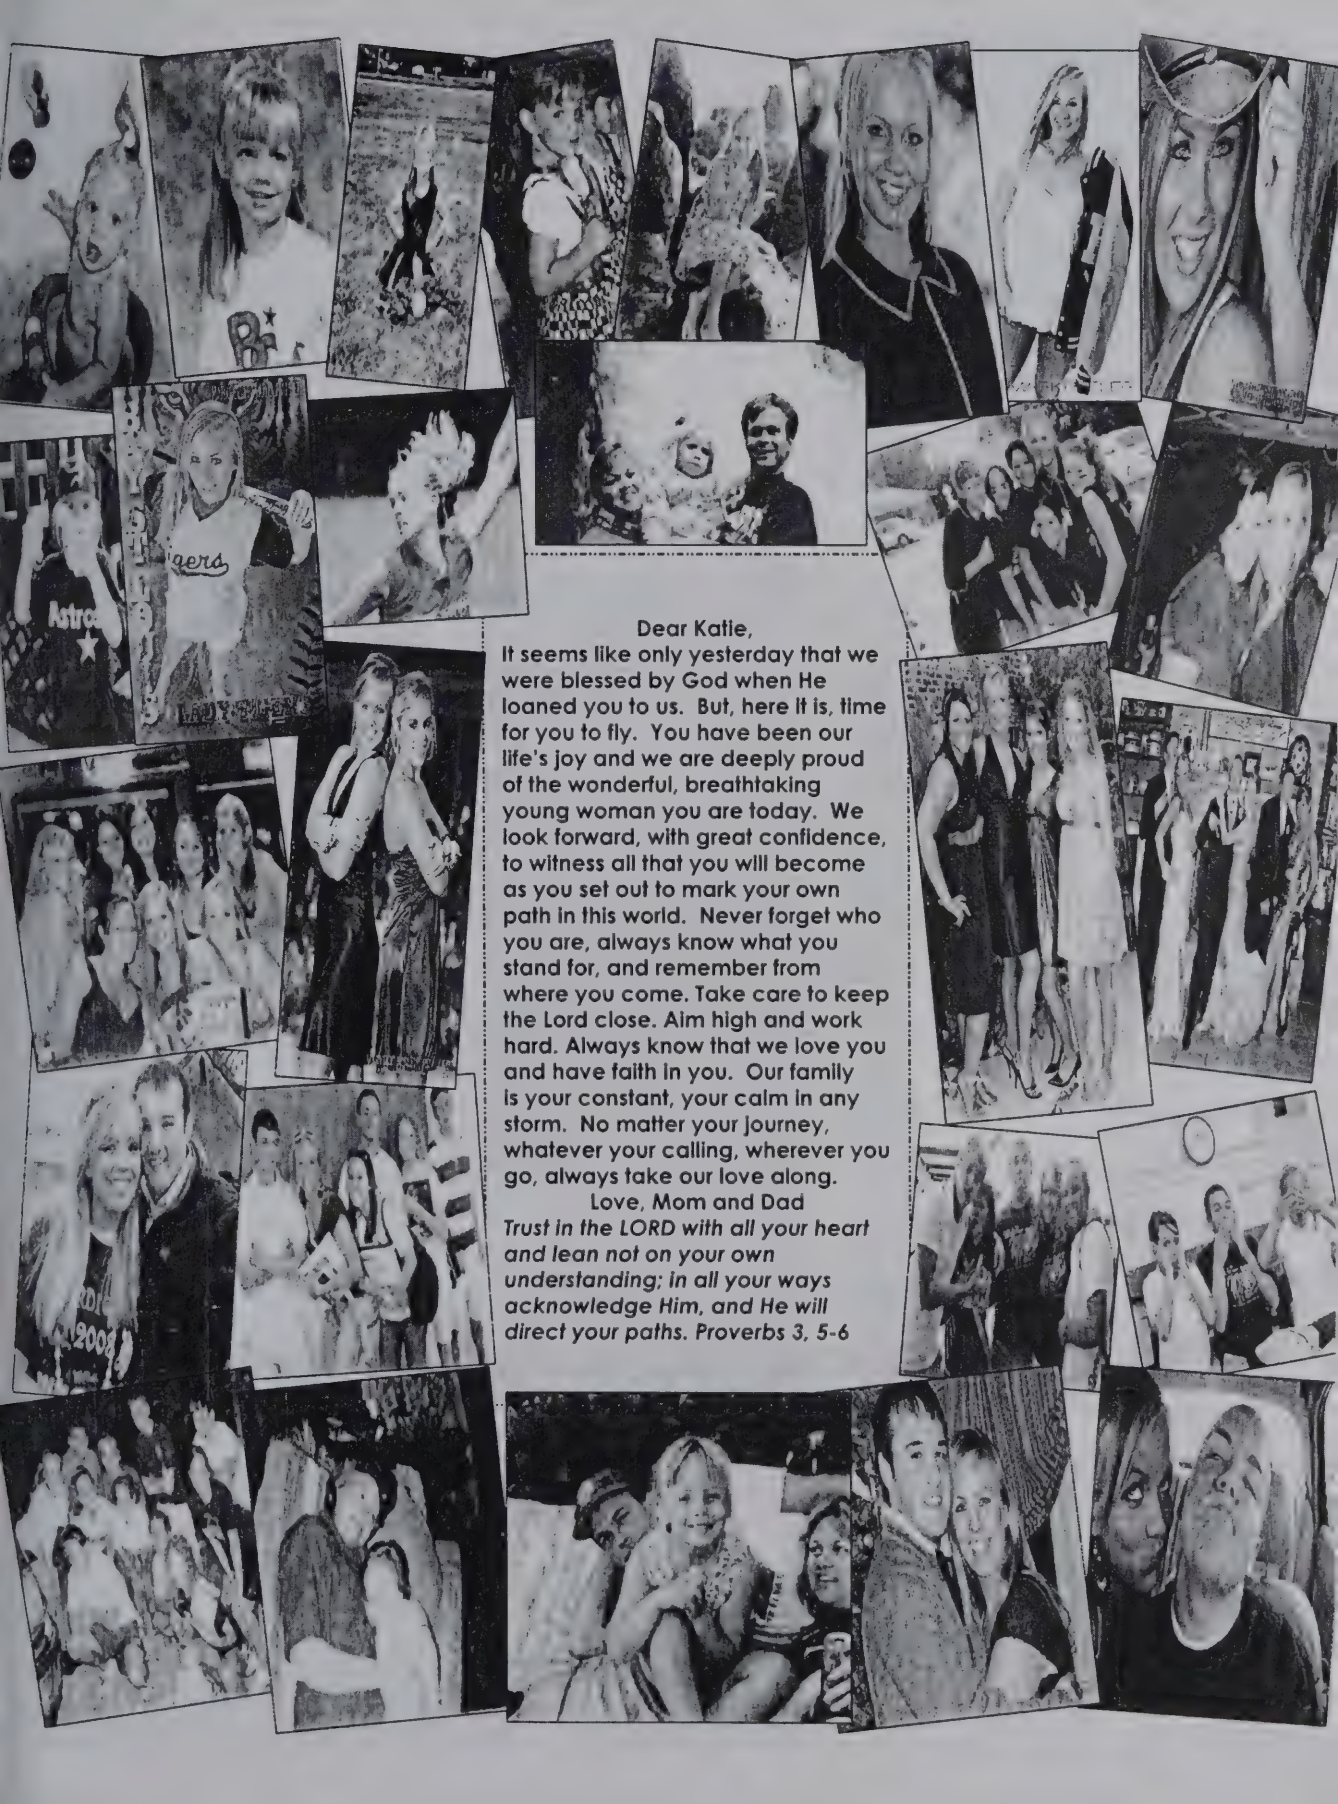

Dear Katie,

It seems like only yesterday that we were blessed by God when He loaned you to us. But, here it is, time for you to fly. You have been our life's joy and we are deeply proud of the wonderful, breathtaking young woman you are today. We look forward, with great confidence, to witness all that you will become as you set out to mark your own path in this world. Never forget who you are, always know what you stand for, and remember from where you come. Take care to keep the Lord close. Aim high and work hard. Always know that we love you and have faith in you. Our family is your constant, your calm in any storm. No matter your journey, whatever your calling, wherever you go, always take our love along.

Love, Mom and Dad

Trust in the LORD with all your heart and lean not on your own understanding; in all your ways acknowledge Him, and He will direct your paths. Proverbs 3, 5-6

Kate...time feels like it slipped by so fast...I can't believe it's almost here..graduation..college..it seems so surreal! We have shared so many fun days as well as treasured seconds and these times are the ones I value most. You are so special and never let anyone tell you different! Never settle for less and when you need someone to remind you what you deserve, I'm here! I love you!! MSU BOUND!!

Hill

Hillary...We've cried laughed and sometimes regretted, but I am so glad we've always been different. If we had ever learned to stay inside the lines, we wouldn't have found things so much better on the other side. So go after your dreams and keep our memories close to your heart. Always know that you're amazing and my sister till the end and right from the start! I love you! MSU BOUND!!!

Kate

To my wonderful daughter, Hillary,
I can remember just yesterday watching you graduate kindergarten, and now you are graduating high school. I am so proud of you. I wish time would stop so you wouldn't leave me. I love you so much my beautiful blessing.

Love,
Mom

It's Been A Great Year!!

The preparation of the 2008 Tiger yearbook involved the diligence and determination of many people. The editor and extended staff, guided by our dedicated sponsor, Mrs. Amy Richardson, devoted long hours filled with joy and tears to this publication. We made this yearbook hoping that it will help be a reminder of your 2007-2008 school year. The entire yearbook staff would like to say goodbye to our '08 seniors. We are all closing yet another chapter in our school life. We hope our new teachers have not torn out all their hair. This year has been a great one, from the first day to the last, something always happened. From tornado warnings that kept us in school to singing Valentine's, we almost always had fun. As we say goodbye to our seniors, we say hello to our new freshmen. We did a lot of work and a lot of tests, but had some fun in the process. The memories we have in high school will last a lifetime. This yearbook is a reminder that as one chapter of our life ends another one begins. Hope everyone has a wonderful summer and hope to see you next year.

See you next year,

BHS Yearbook Staff
